RCP

Rail Capital Partners sp. z o.o.

W imieniu Zarządu oraz pracowników Rail Capital Partners
życzymy udanej zabawy podczas składania naszej lokomotywy! :)

Oddajemy w Twoje ręce unikatowy model z klocków do samodzielnego złożenia.

W **ZBUDOWANE Z KLOCKÓW** zajęliśmy się całym procesem projektowania, zamawiania niezbędnych elementów z Europy oraz Ameryki, przygotowaniem instrukcji złożenia modelu wraz z opakowaniem.

Godziny poświęcone na prace koncepcyjne, weryfikacyjne i kontrolne miały na celu stworzenie niepowtarzalnego zestawu, który zachwyci każdego.

Ręczny proces segregacji elementów i ich pakowania niesie za sobą ryzyko błędu, jednak dołożyliśmy wszelkich starań, żeby przekazany zestaw był kompletny, a przy składaniu cieszył i dawał satysfakcję.

Jeśli masz uwagi i sugestie dotyczące niniejszego zestawu będziemy wdzięczni za kontakt ze **ZBUDOWANE Z KLOCKÓW**.
